About these terms. These terms are between Frabs and anyone who joins the Frabs affiliate programme from their Frabs account. They apply in addition to the Frabs Terms and Conditions. Words that start with a capital letter are defined in clause 1 or in the Frabs Terms and Conditions.

1. DEFINITIONS

1.1 In these Affiliate Terms, the words below have the meanings given to them. Other words that start with a capital letter, such as Account, License, Panel, Service and Product, have the meaning they have in the Frabs Terms and Conditions.

Affiliate	the person or business that joins the Programme from its Account.
Affiliate Panel	the Affiliate's own pages at affiliates.frabs.net, where it chooses its Code, sees the Coded Licenses and Commissions, and requests Payouts.
Code	the code the Affiliate chooses, which a customer enters when buying Licenses. A Code the Affiliate used before still counts as its Code.
Coded License	a License that a customer bought in an order in which it entered the Affiliate's Code, and that Frabs accepted under clause 4.
Commission	the amount the Affiliate earns from a Qualifying Payment, as set out in clause 6.
Link	the Affiliate's address on frabs.net, frabs.net/ followed by its Code, or another frabs.net address that carries the Code, which fills the Code in at checkout.
Payable	a Commission that has passed its holding period under clause 7.1 and has not been paid or voided.
Payout	a payment of Payable Commission to a PayPal account, made at the Affiliate's request under clause 7.
Programme	the Frabs affiliate programme described in these Affiliate Terms.
Qualifying Payment	the part of a payment that a customer makes to Frabs for its Coded Licenses, excluding tax.

2. ABOUT THESE AFFILIATE TERMS

2.1 These Affiliate Terms are between Frabs and the Affiliate. They apply in addition to the Frabs Terms and Conditions, which govern the Affiliate's Account. If the two conflict on a matter about the Programme, these Affiliate Terms apply.

2.2 The Affiliate accepts these Affiliate Terms by ticking the box when it joins the Programme in the Affiliate Panel. A person who joins on behalf of a business confirms that they may bind it.

2.3 These Affiliate Terms do not oblige the Affiliate to promote Frabs, or Frabs to accept any number of orders made with a Code.

3. JOINING THE PROGRAMME

3.1 Anyone with a Frabs Account may join. There is no application or approval. The Affiliate must be at least 18 years old, or a business. One Account may hold one place in the Programme.

3.2 To join, the Affiliate chooses a Code. A Code may use lowercase letters, numbers and single hyphens. Frabs may refuse or withdraw a Code that is misleading, offensive, uses another person's trade mark, or suggests that the Affiliate is Frabs. The Affiliate may change its Code up to three times a month; earlier Codes keep working.

4. CODED LICENSES

4.1 A License becomes a Coded License only when the customer buys it with the Affiliate's Code at checkout, and Frabs accepts the Code for that order. When a customer opens a Link and accepts cookies on frabs.net, the Code is remembered on its browser for 30 days and filled in at checkout for every order in that time, as described in the Frabs Privacy and Cookie Notice. The Code used in the order is what counts.

4.2 A customer may enter a Code each time it buys Licenses. Licenses it buys without a Code, including more Licenses of the same Product, are not Coded Licenses.

4.3 Frabs does not accept a Code, and no License becomes a Coded License, if:

(a) the order is made from the Affiliate's own Account, or from an Account whose owner's email address uses the same domain as the Affiliate's;

(b) the order is for a free Trial;

(c) the customer receives the partner programme discount on those Licenses; or

(d) the order was obtained in breach of clause 8.

4.4 The Affiliate Panel shows each order made with the Code: when, which Product and how many Licenses, and how many are still held. It does not show the customer's name or any of its personal data.

5. THE CUSTOMER'S DISCOUNT

5.1 An order in which Frabs accepts a Code is 20% off. For a first subscription this is the first payment; for Licenses added to an existing subscription it is the payment for those added Licenses for the rest of that billing month. Later payments are at the normal price.

5.2 The discount cannot be combined with the partner programme discount or any other offer, does not apply to a free Trial, and has no cash value. Frabs may change the discount for future orders under clause 14.

6. COMMISSION

6.1 For each Qualifying Payment, the Affiliate earns Commission of 30% of the amount the customer actually paid for its Coded Licenses, excluding tax and after any discount. Commission is calculated in US dollars, rounded down to the cent.

6.2 Commission is earned on every Qualifying Payment for as long as the customer keeps paying for the Coded Licenses, with no time limit. When a Coded License ends, it earns no further Commission. Where a customer holds Coded and other Licenses of the same Product, Frabs counts the Coded Licenses at the price per License on that invoice.

6.3 If a Qualifying Payment is refunded, charged back or reversed, or turns out to have been fraudulent, its Commission is voided. If the Commission has already been paid, Frabs may deduct it from future Commission.

6.4 The Affiliate Panel shows, for each Qualifying Payment, the price, any discount, what the customer paid, and the Commission earned.

7. PAYOUTS

7.1 Each Commission is held for 45 days after the Qualifying Payment, to allow for refunds and chargebacks. After that it is Payable.

7.2 The Affiliate may request a Payout in the Affiliate Panel when its Payable Commission is at least $20. A Payout pays all Payable Commission at the time of the request. Only one Payout may be open at a time. Smaller amounts stay in the Affiliate's balance until they reach $20.

7.3 All Payouts are made to PayPal only, in US dollars, to the PayPal email address the Affiliate gives when it requests the Payout. Frabs aims to make each Payout within 48 hours of the request, and makes Payouts midweek, unless clause 9 applies or PayPal prevents or delays it.

7.4 The Affiliate must give the correct email address of a PayPal account in its own name that can receive payments. Frabs is not responsible for a Payout sent to the address the Affiliate gave. If PayPal returns a Payout, its Commission goes back to the Affiliate's balance.

7.5 PayPal's own fees and currency conversion are between the Affiliate and PayPal.

8. HOW THE AFFILIATE MAY PROMOTE FRABS

8.1 The Affiliate must promote Frabs honestly and lawfully. In particular it must:

(a) describe the Service, its prices and the customer's discount accurately, using the information on frabs.net;

(b) make clear, where the law or advertising codes require it, that it earns Commission from Frabs; and

(c) comply with the laws on electronic marketing and data protection.

8.2 The Affiliate must not:

(a) send unsolicited email or messages, or spam forums, comments or social media;

(b) bid on Frabs, frabs.net or confusingly similar words in paid search or advertising, or use them in a domain name or account name;

(c) present itself as Frabs, or as acting for Frabs, or use Frabs's name or logo except as clause 10 allows;

(d) place Links or cookies in a way that fills in its Code for people who did not choose to follow its Link, such as hidden frames, automatic redirects or browser extensions;

(e) use its own Code, or have businesses it controls or is controlled by use it, or offer money or rewards to people to use its Code without Frabs's written permission; or

(f) promote Frabs on content that is unlawful, misleading, hateful or that encourages network abuse.

9. FRAUD REVIEW AND SUSPENSION

9.1 Frabs may review any order made with a Code, any Commission or any Payout request for compliance with these Affiliate Terms, and may hold a Payout while it does so. Frabs will tell the Affiliate in the Affiliate Panel or by email if a review delays a Payout.

9.2 If the Affiliate breaches clause 4.3 or clause 8, Frabs may void the Commission connected with the breach, pause the Affiliate's place in the Programme, or end it under clause 13.2.

10. USE OF THE FRABS NAME

10.1 While it is in the Programme, the Affiliate may use the Frabs name and the logos Frabs publishes for the purpose of promoting the Service with its Code and Links, in the form Frabs provides them. This permission is non-exclusive, cannot be transferred, and ends when the Affiliate leaves the Programme.

10.2 Frabs may use the Affiliate's name only with its permission.

11. TAX

11.1 The Affiliate is responsible for any tax on the Commission it receives, and for any registrations or reports it needs to make. Commission is stated inclusive of any tax that may be due on it.

11.2 Frabs may ask for information it needs to meet its own tax obligations, and may hold Payouts until it is given.

12. DATA PROTECTION

12.1 Frabs and the Affiliate each control their own personal data. Frabs uses the Affiliate's Code, the PayPal email addresses it gives for Payouts, and the counts of visits and Coded Licenses only to run the Programme and pay the Affiliate, as described in the Frabs Privacy and Cookie Notice, and shares the PayPal email address and Payout amount with PayPal to make Payouts.

12.2 Frabs does not give the Affiliate personal data about customers or visitors.

13. TERM AND LEAVING THE PROGRAMME

13.1 The Affiliate may leave the Programme at any time by asking Frabs at info@frabs.net. Frabs may end the Programme, or the Affiliate's place in it, with 30 days' notice.

13.2 Frabs may end the Affiliate's place in the Programme at once if the Affiliate seriously or repeatedly breaches these Affiliate Terms, or if its Account is closed or suspended under the Frabs Terms and Conditions.

13.3 When the Affiliate's place ends, its Code stops being accepted and its Coded Licenses stop earning Commission. Commission already earned is still paid when it becomes Payable, even if it is below $20, unless the place ended under clause 13.2 for a breach connected with that Commission.

14. CHANGES

14.1 Frabs may change these Affiliate Terms, the Commission rate, the holding period, the minimum Payout or the customer's discount by giving at least 30 days' notice in the Affiliate Panel or by email. A change does not affect Commission earned before it takes effect.

14.2 If the Affiliate does not agree to a change, it may leave the Programme before the change takes effect.

15. LIABILITY

15.1 Nothing in these Affiliate Terms limits liability for death or personal injury caused by negligence, for fraud, or for anything else that cannot be limited by law.

15.2 Subject to clause 15.1, neither party is liable for loss of profits, revenue, business or goodwill, or for any indirect or consequential loss, arising from the Programme.

15.3 Subject to clauses 15.1 and 15.2, Frabs's total liability to the Affiliate arising from the Programme in any 12 months is limited to the Commission payable to the Affiliate in that time.

16. GENERAL

16.1 The Affiliate is an independent party. The Programme does not make it an employee, agent or partner of Frabs, and it may not make promises on Frabs's behalf.

16.2 The Affiliate may not transfer its rights or obligations under these Affiliate Terms. Frabs may transfer them to a business that takes over the Service.

16.3 These Affiliate Terms, with the Frabs Terms and Conditions, are the whole agreement about the Programme.

16.4 These Affiliate Terms, and any dispute or claim that arises from them, including a non-contractual dispute or claim, are governed by the law of England and Wales. The courts of England and Wales have exclusive jurisdiction.
